Project „Free Time Activities of Children and Youth in Rural Conditions“

Profile of volunteer

We are looking for a female volunteer who is eager to develop in the area of working with children and youth. We prefer a girl because of accommodation, we want to host two girls and they will share a flat in the wooden cottage, which is nice and comfortable, but its disadvantage - there are not closed rooms, only open common room on the first floor and kitchen and bathroom on the ground floor. This fact demands a very tolerant and empathic persons for living there.

Our volunteer should be easy going person, patient, creative, friendly, responsible, enthusiast, be interested in work with children and youth.

If she will have an experience in this work, it should be fine, but it is not condition.

Description of work of the volunteer

Volunteer in CVC will be our team-mate, who will be helpful in our work with children and youth and who will enrich our activities with new creative ideas, views and ways of work. He will participate in the work meetings of CVC, where we will plan timetable of regular activities, irregular activities and volunteer will choose those ones, which will be suitable and interesting for him.

At first volunteer will participate on our activities because of she has to obtain experience in working in our organization and later she can prepare a part of activities or own activity with support of somebody from our staff.

Volunteer should work with responsibility and her duty will be to be on time.

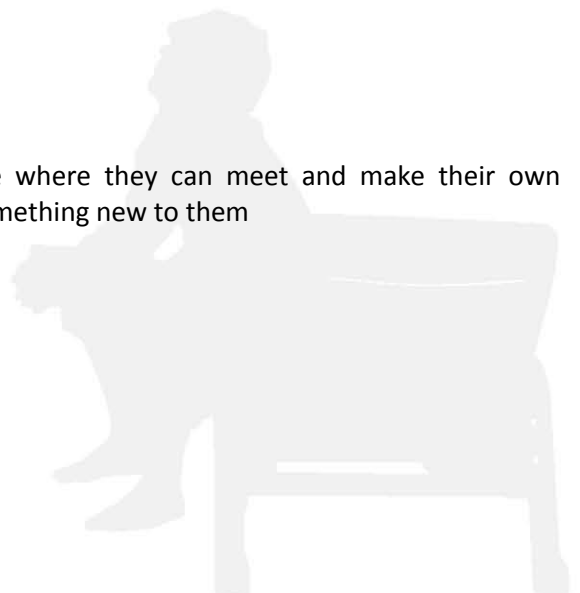

Volunteer can realize in the following activities

- youth and children usually attend the Centre as a place where they can meet and make their own programme – volunteer can join to them or she can offer something new to them

The volunteer will be actively participating in all activities of our leisure centre. She will be given the opportunity to experience the reality of youth work and other voluntary service in neighbour villages, too.

In effect each volunteer creates her own programme considering their abilities, skills, experiences, knowledges and interests

Activities with children start about 12 a.m. and finish about 6 p.m. During weekends and holiday the timetable depends on the actual sort of activity.

Public transport system around Stara Bystrica:

The public transport to Stara Bystrica is quite good during work week, it is no problem to get here from Čadca (30 minutes) and from Žilina (1 hour) by bus. During weekends it is a bit worse, but it is possible to find a suitable transportation line.

Bratislava can be reached by train from Cadca or Zilina. There are hourly regional trains between Bratislava and Vienna.
